

A photograph of a bonfire at night. A large fire is burning brightly in the center, with a massive plume of sparks and embers rising into the dark blue sky. In the foreground, a group of people are silhouetted against the fire, some standing and some appearing to be dancing or celebrating. The overall atmosphere is festive and celebratory.

Bonfire night

A Handy Guide

Introduction

Welcome to the [Morses Club](#) Bonfire Night Guide.

This guide has been created to provide information on the most spectacular firework displays across the country.

We've focused on 24 of the most breathtaking firework displays in the UK. In addition to the spectacular events, there will also be lots of advice on other activities happening at the events such as specialist food stalls, fun fairs and many more.

Whether you're a family, couple, or just an individual looking to see a great display, why not have a read through our guide and see what's going on in your area this November.

All prices and opening times correct at time of publication. Morses Club does not accept liability for the content of this publication or it's accuracy.
